

## Professional Coach 60 - 100% (m/f/d)

The Seeclub is the oldest and one of the most successful rowing clubs in Switzerland. Since 1863 the Seeclub has been promoting competitive rowing. The Seeclub operates two locations in Zurich and Eglisau

### About you

- You are a coach with a recognised national certificate or the international equivalent or you are in the process of obtaining one.
- You are keen to work in a team of coaches under the guidance of a seasoned head coach.
- You like working with ambitious athletes in junior and senior rowing teams and are able to lead and develop a large training squad.
- You possess great organisational as well as communication skills and are flexible and able to adapt.
- You like working with your training team to ensure success across the board, especially in large crew-boats.
- You have emergency response training as well as a motor boat driving license.

### Your responsibilities

- Direct support for our Head Coach, Carsten Hassing, as well as co-ownership of the Seeclub training squad, regatta team and coaching staff.
- Continuous development and growth of the Seeclub performance team.
- Planning, managing and execution of day to day training, training camps and the successful participation in Regattas.
- Responsible for the implementation and execution of the athletes' training programmes.
- Responsible for the recruitment of new talent and implementation of necessary means to attract young athletes.

### What you can expect

- Large and ambitious Squad aged 13 to 30.
- Motivated and dynamic coaching team.
- Two locations for training in Zürich or on the Rhine in Eglisau
- Competitive Employment Conditions
